PARENT NOTIFICATION RE-OPENING OF SCHOOL IN TERM 3

21 June 2024

PN/2024/010

Principal's Note

Dear Parents/Guardians,

We warmly welcome back our Lasallians from the mid-year break!

We ended our first semester with the P5 camp. The objectives of the camp were to equip our P5 Lasallians with knowledge, skills and values to explore and connect with natural and urban environments safely and responsibly. They participated in various activities like rock wall climbing, outdoor cooking and navigating within and outside the campsite.

The highlight of the camp was the campfire on the second night. Lasallians took turns to perform and sing as they paraded their class Mascot made from recycled materials. The teachers also threw in a surprise dance performance for the students at the finale. It was a fun and enjoyable time of bonding and building class spirit through the activities.

Mission Statement

Enabling Lasallians in a Lasallian community to learn how to learn and to learn how to live; empowering them to be the persons of integrity and persons for others.

Vision Statement

Lifelong Learners, Caring Citizens

On the last day, Lasallians wrote a letter about their camp experiences and mailed it to their parents. Many expressed their gratitude and gratefulness for the things they have missed at home such as the food, their comfortable beds as well as their parents' tender loving care. This made the camp meaningful and enriching as they reflected and learned to appreciate the things they may take for granted in their everyday lives. We hope that our Lasallians had a memorable camp experience.

This term will be an exciting one with a line-up of various school events and learning journeys for the different levels. We hope that our Lasallians are looking forward to starting a new term of learning and bonding with their peers.

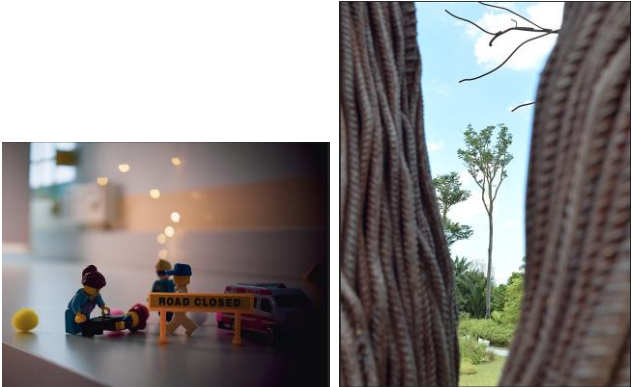

Semper Fidelis,

Cheryl Choo
Principal
